Perennial Culinary Herbs

All plants priced 35¢ each or 3 for \$1.00, except where noted.

Minimum mail order accepted -- \$1.00

- Balm, Lemon (*Melissa officinalis*) - Makes a delicious tea, and is used in cold drinks.
Burnet, Salad (*Sanguisorba minor*) - For cucumber flavor in salads. Used in cream cheese sandwiches and hors d'oeuvres. Spikey pink blooms are attractive.
- Chive (*Allium schoenoparasum*) - For onion flavor in salads, omelettes, cheese, sauces.
- Garden Sorrel (*Rumex acetosa*) - For salads.
- Hyssop (*Hyssopus officinalis*) - Blue spikes of flowers colorful in the herb garden. Leaves used for seasoning in vegetables. A medicinal tea is made from the leaves, stems and flowers.
- Mint:
- A combination of the varieties listed below makes a delicious tea when served with honey and lemon and orange slices.
 - Best for real mint flavor.
 - For flavor in cheeses, salads, soups, teas.
 - A wooly leaved mint. Mild flavor.
- Curlymint (*Mentha crispa*) -
- Spearmint (*Mentha spicata*) -
- Apple Mint (*M. rotundifolia*) -
- Variegated apple mint (Var. *Variegata*) - Striking green and white foliage.
- Peppermint (*Mentha piperita*) - For a soothing tea.
- Gray-leaved peppermint (*Mentha tomentosa*) - Nice for color contrast.
- Anise-Flavored Spearmint (*Mentha spicata anisatus*)
- Marjoram, Sweet (*Origanum marjorana*) - A tender perennial. For meats, stuffings, soups, egg dishes, and many others.
- Parsley (*Petroselinum hortense*) - Grown as an annual. For garnishes, salads, potatoes, soups, eggs, chicken, meats, many others. Seedlings 50¢ per doz.
- Rosemary (*Rosmarinus officinalis*) - A tender perennial. Especially good in lamb, pork and beef, jams and sweet sauces. Grown indoors in winter. Price 50¢ each.
- Rue (*Ruta graveolens*) - Fresh leaves used sparingly in salads and in Rye bread sandwiches. Blue green foliage for accent in garden. Price 50¢ each.
- Sage (*Salvia officinalis* Var. *Hott's Mammoth*) - The universal flavoring for stuffings, cheeses, pickles. Good in stewed tomatoes, string beans.
- Strawberry, Everbearing runnerless (*Harzland*) - Small sweet berries. 25¢ each.
- Winter Savory (*Satureia montana*) - Not as strong in flavor as Summer savory. Used in string beans, peas, salads, stuffings, meat cakes, croquettes, cocktails.
- Tarragon (*Artemisia dracunculus*) - For salads and tartar, fish and cream sauces; in egg, mushroom, and chicken dishes. 50¢ each.
- Thyme, Common (*Thymus vulgaris*) - Used in sauces for meat and fish; boiled with carrots and peas; in scalloped onions, soups with onion, pork, veal, fricassees, chipped beef.
- Thyme, Citron or Lemon (*Thymus citriodorus*) - Same uses as above.
- Herbs for the Window Box - Collection of 12 varieties of herbs for the kitchen. \$3.00

Annual Culinary Herbs
